

HP M24m Conferencing Monitor (678U5AS)

Overview

Productivity all built-in

Get the job done with just the tools you need—all built in. Whether you work from home, the office, or both, simply connect this 23.8" diagonal, FHD monitor to your computer with a single USB-C® cable and you're ready to collaborate. Hop on video or take a call without buying or connecting any extra devices with the integrated 5MP webcam, noise-canceling microphones, and built-in dual speakers.

One cable. Everything you need.

This monitor is more than just a screen. It's a productivity hub. One USB-C® cable is all you need to plug in and get to work in an instant. You can directly connect your mouse and keyboard to the monitor's USB ports, and it charges your laptop at up to 65W. So, ditch the messy cords, marvel at your clean desk, and enjoy everything this display has to offer—all with USB-C®.

The view to get the job done

Check off more of your to-do list with a screen that's as detail oriented as you. Enjoy sharp image and movement clarity on this 23.8" diagonal, FHD monitor with 75Hz refresh rate[1] and consistent, vibrant color thanks to the 99% sRGB color gamut. Plus, see it all from virtually any angle with IPS panel technology and minimize distractions with the 3-sided micro-edge bezel—perfect for dual displays.

Conferencing made convenient

Welcome to your built-in collaboration station with an integrated 5MP webcam, noise-canceling microphones, and dual 2W speakers. It's just what you need to look sharp, sound great, and enjoy clear audio whether you're on a call or video conference—no extra devices necessary. Plus, get peace of mind and ensure your webcam's off with the built-in physical privacy cover.

Refreshing, built-in comfort

To take care of business, you need to take care of yourself. This monitor helps you find a comfortable position for your back, neck, and shoulders with 3-way adjustability: 100mm height adjust, tilt, and swivel. Plus, keep your screen time comfortable with HP Eye Ease—an always-on, low-blue light filter that doesn't impact color accuracy.

Features

FHD Resolution

Focus on the finer details and enjoy sharp visuals and crystal clear images with the 1920 x 1080 FHD resolution on this 23.8" diagonal monitor.

Integrated 5MP Webcam

Easily conference and get your work done. Plus, it has a privacy cover.

Integrated Audio

The integrated, side-firing dual 2W speakers and noise-canceling mic deliver crystal-clear audio.

99% sRGB Color Gamut

Enjoy what you see on screen with 99% sRGB color space. This display provides consistent and ideal color reproduction for vibrant images and videos.^[1]

HP Display Center

Customize your display with easy, intuitive HP Display Center software.^[2]

USB-C® Connectivity

Keep your set up simple and seamless with a display that has everything built in. Connect a keyboard and mouse to the ports on the back of this monitor and only one USB-C® cable to your notebook for data, video, and up to 65W of charging.

[1] All performance specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary, either higher or lower.

[2] Host PC requires Windows 10 or higher. HP Display Center is available on the Microsoft store.
